In which ways do you find them valuable? (15 responses)

- I have learnt something new
- I am now more aware of what other colleagues are working on
- It has helped me to generate new ideas for my research
- It has been refreshing and inspiring
- I see them as an opportunity to generate more communication and exchange knowledge among colleagues
- It has resulted in a collaboration with another colleague
- I feel it contributes to create a more dynamic and communicative culture in the IIT
